This treasure of diverse and visionary writings explores the sacredness of women's everyday lives. Twenty-two contemporary spiritual teachers including Irina Tweedie, Brooke Medicine Eagle, Swami Radha, Bernadette Roberts, and Mary Giles probe aspects of their lives from sexuality, work, and cooking, to relationships, prayer, and mysticism. A vision then emerges of women as extraordinary sacred beings, their lives sources of personal and community transformation. This book is a guide for those seeking a practical, workable spiritual life.

The battle was won, the storm has subsided. But the enemy has escaped, the few remaining Danann leaving Fal with a threat that leaves Ayla, Sean, Finny and Benvy in no doubt: their home of Kilnabracka is in serious danger. All is not well in the town. It looks untouched; life goes on, with no sign of the dangerous Danann. But a storm is brewing, and the friends are being drawn into a trap, down a Spiral Path. Only they can save themselves and the townsfolk.

a higher power. I guess I was trying to find my true purpose for being here. I was born in a small mountain town in Pennsylvania. My dad was a doctor, and I was the fourth of five kids growing up. My parents divorced when I was eight years old, and I remember crying all night when I was told my dad had to go away. My mother re-married, and my stepdad brought his four kids to live with us, in a Brady Bunch-type family. It took many years to adjust to being the eighth of nine kids, trying to figure out how to fit in. I became a troubled teen, and was sent to Colorado to participate in a program called Outward Bound. I was sixteen years old at the time, and I was with people from all over the country, backpacking and mountaineering in the Sangre de Cristo Mountains near Crestone, Colorado. On the tenth day of our expedition we were set apart, alone, and had to fast for three days, drinking only water, similar to a Native American Vision Quest. I must have received a vision, because that was when God gave me my first poem. I was living in Illinois at the time. My journey has also taken me to Texas, New Mexico, and Florida, until I finally made it back to Colorado, and found the exact canyon where my poetry was given to me. The only time I truly feel alive is when I write, and I want to share this art with you. Humbly, David Degelman

Evelyn Underhill was a prolific writer, with dozens of books and hundreds of articles to her credit. Underhill wrote about mysticism in the beginning of her career, but later focused more on the spiritual life as lived by ordinary people. Written by Underhill under the pseudonym John Cordelier, *The Spiral Way* is a Christian look at the journey of the spirit. With chapters structured to parallel the Roman Catholic tradition of the Mysteries of the Rosary, Underhill relates the spiritual journey to the life of Jesus Christ. This book, subtitled *Mediations Upon the Fifteen Mysteries of the Soul's Ascent*, examines those mysteries in three phases. The Joyful Mysteries (the Annunciation, the Visitation, the Nativity, the Presentation in the Temple, and the Child amongst the Doctors) examines the ascent of the soul. The Sorrowful Mysteries (the Agony in the Garden, the Scourging, the Crown of Thorns, the Bearing of the Cross, and the Crucifixion) expands upon the trials and the agony experienced along an often difficult path. The third phase, the Triumphant Mysteries (the Resurrection, the Ascension, the Coming of the Holy Spirit, the Assumption, and the Coronation) fulfills the promise of the soul's glorious ascension of ultimate redemption.
