Arab ghetto called the Budayeen. It is a world filled with mind- or mood-altering drugs for any purpose; brains enhanced by electronic hardware, with plug-in memory additions and new personalities; and bodies shaped to perfection by surgery. Marid Audran, having risen from the rank of street hustler, is now an enforcer for Friedlander Bey, one of the most feared men in the Budayeen. But betrayal and exile send Marid and Bey out into the lifeless Arabian desert. Can they survive on their own? Will they make it back into hostile territory? Will they find their revenge? With this culmination of
