Spent 15 days in Morocco. Why I love this guide is that it provided very accurate information and very up to date. But be mindful that as all Eyewitness guides go, they are the perfect guide to tell you the detail while you are there standing in front of your subject. That being said, they do add insight to your visit.

This travel guide includes: · Dozens of full-color maps · Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks · Multiple itineraries to explore the top attractions and what 's off the beaten path · Coverage of Tangier and the Mediterranean, The Northern Atlantic Coast, Fez and the Middle Atlas,

Marrakesh, The High Atlas, The Great Oasis Valleys, and The Southern Atlantic Coast

Morocco is a land of spectacular scenery, with a rich history, and heady with tantalizing scents and colorful sights. The call of the muezzin seems to draw people from every corner of the globe. In 1956 Morocco gained independence from French colonial rule and was jolted into the 20th century. Today it is a country in transition—a unique blend of Arab, African, and European ways of life. The teeming cities have an air of sophistication and joie de vivre, but life in rural areas has stayed much the same. And while the cities are highly westernized, tradition and religion still play a vital role in the everyday life of most people. With rapid change came problems. Lack of opportunity and high unemployment resulted in a "brain drain" as educated Moroccans made their way abroad, and a fundamentalist interpretation of Islam started gaining ground among the urban poor. Even so, as technology becomes widespread and the world shrinks further, Morocco today is coming into its own. Culture Smart! Morocco describes the way the country's past has shaped its present, advising tourists and business travelers on what to expect and how to behave in different situations.
