Electrical and thermal physics is part of a series of lively, high-quality texts for senior physics students.

Updated for the 2004 specification, these new Core books are in full colour to ease the transition from GCSE to A Level. Tailor-made for the new specification and written by members of an experienced Senior Examining Team, you can be sure they provide everything students need to succeed.

A hugely enjoyable, brilliantly researched explanation of the basic principles of maths.

This book is the leading title in a series targeted at the average A level Mathematics student which aims to tackle the basic ideas and misconceptions associated with this subject. The inclusion of Stretch and Challenge material caters for the most able students, and lots of regular exercises and exam questions provide plenty of practice. These books have an innovative 'flexispread' structure devised to motivate students and include real life links to inspire students. A background knowledge chapter at the beginning of each book helps to bridge the gap between GCSE and A level study tackling the retention issue of AS students. This Core book contains a free students' CD-ROM.

This workbook is designed to build proficiency in algebra for students who want to progrss beyond algebra at Level 2, or achieve a GCSE Mathematics Grade A or A\*, or move with confidence into AS Mathematics.

Help your students push for the top grades with these focused Revision Guides! Ideal for use alongside the Student Books, they provide worked exam questions, and and hints and tips for focussed revision.

AS/A Level Maths for Edexcel - Statistics 1: Student Book

Decision Maths D1 is part of a brand new series of books that match the AQA specifications for Maths A-level, to be first taught from September 2004. The book has been produced in consultation with a Senior Examiner to ensure complete and authoritative coverage of the Decision 1 module. It contains all the discrete maths that students need to know for AS-level Mathematics, or for the first year of an A-level.
