Jacobs is one of the most known English storytellers of folk tales and fairy tales, and his work also helped preserve ballads, after he wrote them as tales. He later published a second volume, More English Fairy Tales. Another notable literary figure in English folklore is Flora Annie Steel, author of English Fairy Tales. Steel took on some of the popular folk tales in England at the time of publication, and shared them with a new audience.

English Folk and Fairy Tales: Amazon.co.uk: Jacobs, Joseph...

The fairy tale telling duo collected and recorded over 200 traditional folk tales from Germany and other parts of Europe during the 19 th Century before they were lost or forgotten. This first volume of fairy tales includes favourites such as The Frog Prince, Rumpelstiltskin and Ashputtel (aka Cinderella).

Best Folk Tales And Fairy Tale Books For Children

In English folklore, however, a boggart was a kind of evil creature which attached itself to families or households and was a nuisance. According to traditional fairy tales, boggarts love to hide in dark spaces, such as unused attics or cellars, cupboards, or under beds. They were sometimes described as shape-shifters. Boggarts were the source of many misfortunes in the home: They broke things, turned food sour or rotten, and made the house creak, among other things.

Folktexts: A library of folktales, folklore, fairy tales...

English folklore consists of the myths and legends of England, including the English region's mythical creatures, traditional recipes, urban legends, and folktales.English folklore encompasses the traditional Robin Hood tales, the Brythonic-inspired Arthurian legend, and the more contemporary urban legends and monsters such as the Beast of Bodmin Moor.

English folklore - Wikipedia

English folktales
England is a country in Europe, part of the United Kingdom. The English nation had a big cultural impact on the world. The collection of folktales from England consists of three books with 128 folktales.

Welcome to the English folktales page! - World of Tales

(1911 edition) Joseph Jacobs writes very well indeed and has made a laudable effort to bring together old English folk tales and fairy stories before they are lost in the mists of time, in a similar way to what the Brothers Grimm and Perrault did around this time.

English Fairy Tales by Joseph Jacobs - Goodreads

All of our stories for kids contain positive morals to inspire children with themes of kindness, generosity and friendship.

English Fairy Tales - YouTube

Joseph Jacobs (29 August 1854 - 30 January 1916) was an Australian folklorist, translator, literary critic, social scientist, historian and writer of English literature who became a notable collector and publisher of English folklore. Jacobs was born in Sydney to a Jewish family. His work went on to popularize some of the world's best known versions of English fairy tales including "Jack and the Beanstalk", "Goldilocks and the three bears", "The Three Little Pigs", "Jack the Giant Killer" and "The History of Tom Thumb". He published his English fairy tale collections: English Fairy Tales in 1890 and More English Fairy Tales in 1893 but also went on after and in between both books to publish fairy tales collected from continental Europe as well as Jewish, Celtic and Indian fairytales.

Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. Visit us online at www.1stWorldLibrary.ORG - - Who says that English folk have no fairy-tales of their own? The present volume contains only a selection out of some 140, of which I have found traces in this country. It is probable that many more exist. A quarter of the tales in this volume, have been collected during the last ten years or so, and some of them have not been hitherto published. Up to 1870 it was equally said of France and of Italy, that they possessed no folk-tales. Yet, within fifteen years from that date, over 1000 tales had been collected in each country. I am hoping that the present volume may lead to equal activity in this country, and would earnestly beg any reader of this book who knows of similar tales, to communicate them, written down as they are told, to me, care of Mr. Nutt. The only reason, I imagine, why such tales have not hitherto been brought to light, is the lamentable gap between the governing and recording classes and the dumb working classes of this country - dumb to others but eloquent among themselves. It would be no unpatriotic task to help to bridge over this gulf, by giving a common fund of nursery literature to all classes of the English people, and, in any case, it can do no harm to add to the innocent gaiety of the nation.

12 classic English fairy tales and their history, from tales of dragons to Robin Hood. Folk tales and legends are an intrinsic part of English national culture. In his book, Rosalind Kerven has revived the best English fairy tales for a new generation. These are stories of giants, dragons, fairies and Arthurian Romance. Together, they form a perfect introduction to the different types of traditional stories and their place in English oral and written heritage. Each tale is linked with a specific place or county in England: 'The Dragon Castle' from Northumberland, 'The Girl Snatched By Fairies' from County Durham, 'The Princess and the Fool' from Kent and 'The Dark Moon' from Lincolnshire. The book also includes notes on each story: the history and where it came from, its development and short summaries of many related or similar stories.

Forty-three tales of fairies, giants, and foolish ones from the folklore that served to amuse the unlettered classes of "Merrie England."

Originally titled Children's and household tales, The complete Grimm's fairy tales have contained the essential bedtime stories for children worldwide for the better part of two centuries. This edition features 201 fairy tales and 10 children's legends, accompanied by over 60 iconic illustrations from Arthur Rackham and a new introduction.

Master storyteller, social historian, and folklorist Sybil Marshall scoured English history to bring together a fascinating collection of folk tales in one glorious edition. Out-of-print for over thirty years, Overlook is re-issuing this bewitching book to enchant a new audience. From the great mass of folk tales that exists, Sybil Marshall has chosen a wide variety of stories, retelling them with wit and suspense. We have her tales of the little people and of giants, of the Devil and the saints, and supernatural and moral tales. Let Sybil Marshall lead you through the old English countryside, exploring the beliefs and legends of time gone by. This beautifully packaged edition, complete with wood engraved illustrations by John Lawrence, will entertain, educate, and ensnare audiences of all ages.

The first compilation of the full first-edition texts of the classic fairy tale collections by Joseph Jacobs, with Jacobs' original prefaces and annotations. * Reprints Jacobs' original versions of these 87 classic tales exactly as they were first published more than a century ago * Illustrated with the original block prints by John Batten

English Fairy Tales - YouTube

Carefully selected stories from the celebrated Folk Tales series have been gathered here for this special volume. Herein lies a treasure trove of tales from a wealth of talented storytellers performing in England today. From hidden chapels and murderous vicars to traveling fiddlers and magical shape-shifters, this book celebrates the distinct character of England's different customs, beliefs and dialects, and is a treat for all who enjoy a good yarn.

This volume contains 43 English folk and fairy tales. Stories like: " Tom Tit Tot ", " The Three Sillies ", " The Rose Tree ", " The Old Woman and Her Pig ", " How Jack Went to Seek His Fortune ", " Mr. Vinegar ", " Nix Nought Nothing " and many, many more. Many of the tales in this volume, as in similar collections from other European countries, are what the folklorists call Drolls, or a short comical sketch. They serve to justify the title of " Merrie England " and mostly originate from the puritan era (1649 – 1660), a title which used to be given to England, indicating the unsuspected capacity for fun and humour among the English. The story of Tom Tit Tot, which opens the collection, is unequalled among all other folk-tales, for its combined sense of humour and dramatic power. But why call them FAIRY STORIES? One cannot imagine a child saying, "Tell me a folk-tale" or 'Another nursery tale, please, grandma'. The words 'Fairy Tales' must accordingly be taken to include tales in which occurs something 'fairy', something extraordinary--fairies, giants, dwarfs, speaking animals. It must be taken also to cover tales in which, what is extraordinary is the stupidity of some of the actors, as is so common in moral tales. So take some time out and travel back to a period before television, or even radio for that matter, when families would gather around a crackling hearth and granddad or grandma, or an uncle or aunt, would delight and captivate their audience with stories passed on to them from their mothers, fathers and grandparents before them.
