The fabulous success of
Ford's Mustang in
America inspired

Acces PDF Ford Escort Mk6

Ford's British and German branches to do likewise. The sporty coupe they created, the Ford Capri, was launched in 1969 as the first joint production of the brand-new Ford of Europe. Billed as "The car you always promised yourself", the Capri was a signal success with almost 1.9 million made when

production ended in 1987. Its rakish lines, keen pricing and broad power offerings gave the Capri wide appeal not only in Europe but also in America, which imported the Mark I and II versions from 1970 to 1977 for sale through Lincoln-Mercury dealers. The Mark III for Europe followed in 1978. No paper tigers,

these classy coupes
were formidable rally
and racing cars as this
book's illustrations
reveal. A Capri insider,
former Ford of Europe
executive Karl
Ludvigsen introduces
the Capri saga and
illuminates the many
rare images from his
world-famous
Ludvigsen Library. A
feast for fans of the Blue

story of one of the best-
