Her poem Remember has Rossetti as the speaker, talking to a loved one, and telling them to remember her fondly after she has died, by the end of the poem her tone has changed and she wants him to forget her. "Written in 1849, when Rossetti was just 19 years old, "Remember" is an interesting little sonnet that is obsessed with being remembered after death" (Shmoop Editorial Team). With Rossetti

In our locked down state, we must not forget to remember—

The actual melodies for ' Dance In The Rain ' for the chorus, he had. He had a part to do with that and in 'Forget to Remember' there's a little ad lib part right before each chorus. I wouldn't have done something like that, but he did and it was like, "Wow, this is really cool." More songs from Megadeth
