Hills Like White Elephants

Ernest Hemingway 's \"Hills Like White Elephants\" tells the story of a man and woman drinking beer and anise liqueur while they wait at a train station in Spain. The man is attempting to convince the woman to get an abortion, but the woman is ambivalent about it. The story's tension comes from their terse, barbed dialogue.

Ernest Hemingway – Hills Like White Elephants | Genius

HILLS LIKE WHITE ELEPHANTS. The hills across the valley of the Ebro' were long and white. On this side there was no shade and no trees and the station was between two lines of rails in the sun. Close against the side of the station there was the warm shadow of the building and a curtain, made of strings of bamboo beads, hung across the open door into the bar, to keep out flies.

Hills Like White Elephants: Study Guide | SparkNotes

"Hills Like White Elephants" is set in Spain. An American man and a girl are sitting at an outdoor café in a Spanish train station, waiting for a fast, non-stop train coming from Barcelona that will take them to Madrid, where the girl will have an abortion.

### Hills Like White Elephants

Ernest Hemingway 's short story ' Hills like White Elephants ' depicts a couple, " the man " and " the girl " , casual conversation over drinks while awaiting the arrival of a train to Madrid. The story ends, as vaguely as it started, with the two about to embark on the train.

---

### Literary Analysis: Hemingway's Hills Like White Elephants ...

The girl is staring at the distant hills, which are brightly lit in the sunlight, though otherwise barren in appearance. The girl makes a seemingly innocent remark to the man that the hills " look like white elephants, " to which the man responds that he has never seen one. This comment leads to a brief bickering match over whether the man may or may not have seen a white elephant.

### Hills Like White Elephants Summary - eNotes.com

"Hills Like White Elephants" is a great portrait of how we talk at, to, and past each other; how we can go on and on and never quite get at what it is we really want to say. This story is a chance to reflect on the way we talk to our loved ones (and we're not talking about our accents), and what we might, or might not, reveal when we do open our traps and start yammering.

---

### Hills Like White Elephants Introduction | Shmoop

The short story " Hills Like White Elephants " is a conversation within a woman named `Jig ' and an American man. Both are waiting for a train at a station in Spain. The author never intitles the topic of their discussion, but as their conversation progresses, it becomes clear that Jig is pregnant.

Hills Like White Elephants

On top of that, you could write an entire paper just on bamboo as a symbol in "Hills Like White Elephants." Some very old accounts claim that human life was born from a bamboo stem, among other interesting things. That could connect to Jig ' s pregnancy for sure. If you want to dig deeper.

Hills Like White Elephants Symbolism, Imagery, Allegory ...

“ Hills Like White Elephants ” opens with a long description of the story ' s setting in a train station surrounded by hills, fields, and trees in a valley in Spain. A man known simply as the American and his girlfriend sit at a table outside the station, waiting for a train to Madrid. It is hot, and the man orders two beers.

---

Hills Like White Elephants: Plot Overview | SparkNotes

Published in 1927, the Ernest Hemingway short story “ Hills Like White Elephants ” is an iceberg of conversation; that is, there is more beneath the surface of the dialogue between the American man and the girl named Jig. At first glance, it seems like a simple, sometimes tense conversation between a couple who are waiting for a train to Madrid.

---

A man and his girlfriend wait for a train to Madrid at station in rural Spain, the almost casual nature of their conversation evading the true emotional depth of what ' s happening between the two of them. “ Hills Like White Elephants ” is considered to be among Ernest Hemingway ' s best short fiction, showcasing the author ' s powerful ability to strip writing down to its bare bones and allow the reader ' s imagination to fill in the subtext. One of America ' s foremost journalists and authors, Ernest Hemingway as also a master of the short story genre, penning more than fifty short stories during his career, many of which featured one of his most popular prose characters, Nick Adams. The most popular of Hemingway ' s short stories include “ Hills Like White Elephants, ” “ Indian Camp, ” “ The Big Two-Hearted River, ” and “ The Snows of Kilimanjaro. ” HarperCollins brings

great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

A dissection of greed-obsessed America a decade after *The Bonfire of the Vanities* and on the cusp of the millennium, from the master chronicler of American culture Tom Wolfe Charlie Croker, once a fabled college football star, is now a late-middle-aged Atlanta real estate entrepreneur-turned conglomerate king. His expansionist ambitions and outsize ego have at last hit up against reality. Charlie has a 28,000 acre quail shooting plantation, a young and demanding second wife and a half-empty downtown tower with a staggering load of debt. Wolfe shows us contemporary America with all the verve, wit, and insight that have made him our most admired novelist. ‘ Enthralling enough even to satisfy *The Bonfire of the Vanities* devotees...humane and redemptive ’ – Sunday Times

Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Erfurt, course: The American Short Story, language: English, abstract: Can the reader of “ Hills like White Elephants ” experience the success of the male character, known as “ the American ” , or the triumph of Jig, the female character, at the end of the story? The argument of the American couple waiting at a junction between Barcelona and Madrid represents the centre of Ernest Hemingway ’ s short story. Heming-way published this short story as part of the story collection “ Men without Women ” in 1927 (ANONYMOUS, 1996). Therefore, it can be assumed that the setting of the story is also conceived for the 1920ies. It is never directly mentioned that both discuss the abortion of their unborn child, although it becomes clear through implications within the text. Whereas the man tries to convince her in a manipulating manner to undergo surgery, she dreams of a future with the child (HEMINGWAY, 1956: 249ff). LAMB even states that: “ Much of the conversation is so obscure that on the literal level it can be comprehended only in light of the entire story ” (LAMB, 1996: 469). Several metaphors, images and other literary devices, such as the simile being present in the title and in its several repetitions in the story, add to the reader ’ s perception of the shown conflict. Apparently, the male character represents the dominant part in the relationship and the successful one in the conversation. As the girl states “ But I don ’ t care about me. And I ’ ll do it and then everything will be fine ” (HEMINGWAY, 1956: 251) after being talked at by her boyfriend, it seems that she gives up and sacrifices her wishes. However, scholars discuss whether the American or the girl can force their individual points in the end. The aim of this research paper is to examine this question. An analysis of the structure of the short story, the importance of place and positioning as well as the language of both characters will support the clarification of the hypothesis mentioned above regarding the triumph of the man. Nevertheless, there could be another reading, too. Probably his female counterpart is more influential than it seems to be at first sight.

This stunning collection of short stories by Nobel Prize – winning author, Ernest Hemingway, contains a lifetime of work—ranging from fan favorites to several stories only available in this compilation. In this definitive collection of short stories, you will delight in Ernest Hemingway's most beloved classics such as “ The Snows of Kilimanjaro, ” “ Hills Like White Elephants, ” and “ A

Clean, Well-Lighted Place,” and discover seven new tales published for the first time in this collection. For Hemingway fans The Complete Short Stories is an invaluable treasury.

First published in 1927, Men Without Women represents some of Hemingway's most important and compelling early writing. In these fourteen stories, Hemingway begins to examine the themes that would occupy his later works: the casualties of war, the often uneasy relationship between men and women, sport and sportsmanship. In “Banal Story,” Hemingway offers a lasting tribute to the famed matador Maera. “In Another Country” tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife. “The Killers” is the hard-edged story about two Chicago gunmen and their potential victim. Nick Adams makes an appearance in “Ten Indians,” in which he is presumably betrayed by his Indian girlfriend, Prudence. And “Hills Like White Elephants” is a young couple's subtle, heart-wrenching discussion of abortion. Pared down, gritty, and subtly expressive, these stories show the young Hemingway emerging as America's finest short story writer.

Seminar paper from the year 2021 in the subject English Language and Literature Studies - Literature, grade: 1,0, Christian-Albrechts-University of Kiel (Philosophische Fakult ä t - Englisches Seminar), course: Narrative Theory and the Reading of Literary Texts, language: English, abstract: The purpose of this paper is to show that an analysis and interpretation of the topographical and architectural setting and of the objects within that setting in Ernest Hemingway ' s short story “ Hills Like White Elephants,” which was published in 1927, provides a fruitful understanding of the short story. This paper investigates how Hemingway transforms topography into metaphors and symbols and how the setting creates the mood and sets the tone of the short story. “ Hills Like White Elephants ” is a paramount example of Hemingway ' s so-called "iceberg theory". Similarly, Hemingway ' s short story “ Hills Like White Elephants,” which is mostly told in dialogue, is like the tip of an iceberg—the succinct length and the seemingly simple language are deceptive. Analogously to Hemingway ' s iceberg theory, there are concealed depths to the surface story. The fact that there are only a few sections in which the setting is described emphasizes that a close reading of the setting is necessary because the lack of description indicates that there is hidden meaning behind the overall setting. This paper argues that Hemingway uses the setting to demonstrate the struggle of the main characters, the American and the girl Jig, about whether to have an abortion—even though words such as ‘ abortion ’ or ‘ pregnancy ’ are not mentioned in the text. The paper argues that Hemingway integrates symbolism into the landscape and furthermore uses spatial concepts to convey meaning that goes beyond spatial information. The contrast between abortion or birth correlates with the dichotomy of the setting and is hence almost entirely expressed in spatial terms. Moreover, the descriptions of the setting reflect the couple ' s contrasting points of view regarding the pregnancy. The paper aims to discover the implied and hinted meaning within the deceptive simplicity of the text by relying on narrative theory.

With an Overview by Paul Smith and a Checklist to Hemingway Criticism, 1975 – 1990 New Critical Approaches to the Short Stories of Ernest Hemingway is an all-new sequel to Benson's highly acclaimed 1975 book, which provided the first comprehensive anthology of criticism of Ernest Hemingway's masterful short stories. Since that time the availability of Hemingway's papers, coupled with new critical and theoretical approaches, has enlivened and enlarged the field of American literary studies. This companion volume reflects current scholarship and draws together essays that were either published during the past decade or written for this collection. The contributors interpret a variety of individual stories from a number of different critical points of view—from a Lacanian reading of Hemingway's "After the Storm" to a semiotic analysis of "A Very Short Story" to an historical-biographical analysis of "Old Man at the Bridge." In identifying the short story as one of Hemingway's principal thematic and technical tools, this volume reaffirms a focus on the short story as Hemingway's best work. An overview essay covers Hemingway criticism published since the last volume, and the bibliographical checklist to Hemingway short fiction criticism, which covers 1975 to mid-1989, has doubled in size. Contributors. Debra A. Modellmog, Ben Stotzfus, Robert Scholes, Hubert Zapf, Susan F. Beegel, Nina Baym, William Braasch Watson, Kenneth Lynn, Gerry Brenner, Steven K. Hoffman, E. R. Hagemann, Robert W. Lewis, Wayne Kvam, George Monteiro, Scott Donaldson, Bernard Oldsey, Warren Bennett, Kenneth G. Johnston, Richard McCann, Robert P. Weeks, Amberys R.
