important—without letting inherited items take over your house and your life. Follow these steps to organize, manage and pass on your family archive. 1. Keep only what ' s important. Receipts. Newspaper clippings. Old letters.

## How to Organize Your Family Keepsakes and Collections

While looking at the family group record for the family, pick a research objective (one person in the family, and one event in that person ' s life) to research. Write that objective on the family research log. Select a source you hope will document that event and write the source footnote data on the research log. Get most of the information for the footnote from the catalog of the repository where you are working.
