By Rowland Miller. ISBN10: 1259870510. ISBN13: 9781259870514. Copyright: 2018. Product Details +. Drawing on psychology, family studies, sociology, communication studies, and neuroscience, Intimate Relationships is a comprehensive and current overview of relationship science, written in an engaging and accessible style.

The sixth edition of Intimate Relationships is the most accessible, comprehensive, and current work available. This text has a broad reach, drawing from all the relationship sciences including material from social psychology, communication studies, family studies, sociology, clinical psychology, and neuroscience. Clearly on the cutting edge, it presents all of the new developments in the field and exudes vigorous standards of scholarship while maintaining a highly acclaimed reader-friendly style that sets the text apart.

After decades of failed relationships and painful drama, Donald Miller decided he'd had enough. Impressing people wasn't helping him connect with anyone. He'd built a life of public isolation, yet he dreamed of meaningful relationships. So at forty years old he made a scary decision: to be himself no matter what it cost. From the author of Blue Like Jazz comes a book about the risk involved in choosing to impress fewer people and connect with more, about the freedom that comes when we stop acting and start loving. It is a story about knocking down old walls to create a healthy mind, a strong family, and a satisfying career. And it all feels like a conversation with the best kind of friend: smart, funny, true, important. Scary Close is Donald Miller at his best.

Violence and Maltreatment in Intimate Relationships describes the magnitude, risk factors, and consequences of intimate violence. The text offers a multidisciplinary focus that examines traditional areas of interpersonal violence as well as forms of intimate abuse outside the family. Addressing intimate relationship violence across the developmental lifespan, the Second Edition offers a mix of historical and contemporary perspectives, as well as personal stories and high-profile cases to provide readers with ample opportunity for application of the explanations, research, and data. The authors discuss the professional and social response to violence and maltreatment in intimate relationships (VMIR) to further the understanding of how to treat victims and how to prevent future intimate violence. FREE DIGITAL TOOLS INCLUDED WITH THIS TEXT SAGE Edge gives instructors the edge they need to succeed with an array of teaching tools in one easy-to-navigate website. Are you afraid of or unable to create intimacy or closeness with your intimate partner? Do you find that sometimes you create emotional, communicative, or even physical distance from that special someone in your life, even when, deep down, you really don't want to? If so, you share the relationship style psychologists refer to as the distancer. Distancers are often afraid of being engulfed or controlled by their partners. They fear rejection, vulnerability, and dependence. Sadly, they also tend to have short and unhappy relationships. If you want to stop running from love in your life, this book offers a simple, step-by-step approach you can use to move beyond your fear of intimacy and start building strong and lasting relationships. The exercises and self-evaluations in the book will help you become aware of how you operate in romantic relationships. You'll review and reassess your relationship patterns, deciding what changes you want to make in future relationships. Then you'll commit to actions that can make it happen.

Universally acclaimed, rapturously reviewed, winner of the National Book Critics Circle Award for autobiography, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). "I opened Know My Name with the intention to bear witness to the story of a survivor. Instead, I found myself falling into the hands of one of the great writers and thinkers of our time. Chanel Miller is a philosopher, a cultural critic, a deep observer, a writer's writer, a true artist. I could not put this phenomenal book down." --Glennon Doyle, #1 New York Times bestselling author of Love Warrior and Untamed

"Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post "She was known to the world as Emily Doe when she stunned millions with a letter: Brock Turner had been sentenced to just six months in county jail after he was found sexually assaulting her on Stanford's campus. Her victim impact statement was posted on BuzzFeed, where it instantly went viral--viewed by eleven million people within four days, it was translated globally and read on the floor of Congress. It inspired changes in California law and the recall of the judge in the case. Thousands wrote to say that she had given them the courage to share their own experiences of assault for the first time. Now she reclaims her identity to tell her story of trauma, transcendence, and the power of words. It was the perfect case, in many ways--there were eyewitnesses, Turner ran away, physical evidence was immediately secured. But her struggles with isolation and shame during the aftermath and the trial reveal the oppression victims face in even the best-case scenarios. Her story illuminates a culture biased to protect perpetrators, indicts a criminal justice system designed to fail the most vulnerable, and, ultimately, shines with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. It also introduces readers to an extraordinary writer, one whose words have already changed our world. Entwining pain, resilience, and humor, this memoir will stand as a modern classic. Chosen as a BEST BOOK OF 2019 by The New York Times Book Review, The Washington Post, TIME, Elle, Glamour, Parade, Chicago Tribune, Baltimore Sun, BookRiot

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettable vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, Buzzfeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

Always reflective of the latest research and thinking in the field, Patricia Miller's acclaimed text offers an ideal way to help students understand and distinguish the major theoretical schools of child development. This fully updated new edition includes a new focus on biological theories of development, and offers new instructor resource materials.

An album-by-album celebration of the life and music of Mac Miller through oral histories, intimate reflections, and critical examinations of his enduring work. "One of my most vivid memories of him is the way he would look at you while he was playing you a song. He tried to look you right in the eyes to see how you were feeling about it." --Will Kaison, friend and first manager Following Mac Miller's tragic passing in 2018, Donna-Claire Chesman dedicated a year to chronicling his work through the unique lens of her relationship to the music and Mac's singular relationship to his fans. Like many who'd been following him since he'd started releasing mixtapes at eighteen years old, she felt as if she'd come of age alongside the rapidly evolving artist, with his music being crucial to her personal development. "I want people to remember his humanity as they're listening to the music, to realize how much bravery and courage it takes to be that honest, be that self-aware, and be that real about things going on internally. He let us witness that entire journey. He never hid that." --Kehliani, friend and musician. The project evolved to include intimate interviews with many of Mac's closest friends and collaborators, from his Most Dope Family in Pittsburgh to the producers and musicians who assisted him in making his everlasting music, including Big Jerm, Rex Arrow, Wiz Khalifa, Benny Gribberg, Just Blaze, Josh Berg, Syd, Thundercat, and more. These voices, along with the author's commentary, provide a vivid and poignant portrait of this astonishing artist--one who had just released a series of increasingly complex albums, demonstrating what a musical force he was and how heartbreaking it was to lose him. "As I'm reading the lyrics, it's crazy. It's him telling us that he hopes we can always respect him. I feel like this is a message from him, spiritually. A lot of the time, his music was like little letters and messages to his friends, family, and people he loved, to remind them of who he really was." --Quentin Cuff, best friend and tour manager

Showing up is what turns the people you know into your people. It's at the core of creating and maintaining strong, meaningful bonds with friends, family, coworkers, and internet pals. Showing up is the act of bearing witness to people's joy, pain, and true selves; validating their experiences; easing their load; and communicating that they are not alone in this life. If you're having trouble connecting with those around you, know that you're not the only one. Adult friendships are tricky!<sup>TM</sup> Part manifesto, part guide, The Art of Showing Up is soul medicine for our modern, tech-mediated age. Rachel Wilkerson Miller charts a course to kinder, more thoughtful, and more fulfilling relationships--and, crucially, she reminds us that "you can't show up for others if you aren't showing up for yourself first." Learn to fearlessly . . . define your needs, reclaim your time, and commit to self-care ask for backup when times are tough--and take action when others are in crisis meet and care for new friends, and gently end toxic friendships help your people feel more seen (and more OK) overall!
