It's Not Me, It's You definitely falls into the latter group. The basis of this book is not unusual: Young woman's life is turned upside down (by a cheatin' boyfriend, of course) and heads off to the big city where her world is opened up and she realizes her own There are books you read because they widen your horizons or make you think of things in a new light.

~~It's Not Me, It's You by Mhairi McFarlane~~

"A lot of people say it's not very Christian," Cooper told The Denver Post of the song. "But it's about self-improvement. It's about someone, something or even yourself bringing you down and then all of a sudden, you realize that it's not you. You are OK. It could be a relationship, a friend.

It's and its are among the most commonly confused words. They are pronounced the same, there's a very small difference in how they're written, and it's also easy to mistake the contraction in it's for a possessive. But the rules are very clear—it's is the same type of contraction as "where's" or "there's," and its is a possessive just like "my" or "your."
