Like proper golf balls, two-piece range balls from different brands can be optimised to perform in certain areas – but not across the whole bag like a modern tour ball. To emphasise this point, our pro hit a “softer” range ball which span close to our premium ball in the short game... but was 39 yards down (on average) with a driver!

~~Driving range ball vs premium golf ball | Today's Golfer~~

A "range ball" or "driving range ball" is

Online Library Just A Range Ball In Box Of Leists

exactly that: a golf ball manufactured specifically for use on a golf driving range. They often have a colored stripe (most often black, red or green) around their circumference and may have the word "range" or "practice" printed on them.

This is a story of two Irish Roman Catholic guys from Boston who met in California in 1984 and developed a

Online Library Just A Range Ball In Box Of Leists

friendship for thirty-one years that endured through divorces and even the death of a son, until Magennis passed away in 2015.

Whether you are a hacker or a scratch golfer, this book will be difficult to put down once you begin reading it. Created by a former award-winning sports editor with over 37 years of experience as a golfer, it addresses etiquette, cheating, golf gadgets and many other facets of what is supposed to be a gentleman's game. If you are a smoker or ride in a cart when you play golf, this book might offend you. It might also change your life, however, when you read the author's rationale for his attempts to revolutionize the game of golf.

The Good Life was a publication that was sent out on a semi-regular basis to a small

Online Library Just A Range Ball In Box Of Leists

group of friends/colleagues/subscribers beginning in November 1993 and concluding in September 2002. This book is a compilation of those issues. The subject material is varied and diverse---the bulk of it is a recounting of real life experiences, both mundane and dramatic, frequently analyzed from sociological, philosophical, psychological and humanistic perspectives. It also includes commentary on sociological issues, as well as topical commentary on the events of the day: the O.J. Simpson trial, the death of Princess Diana, and September 11, 2001. Sports topics of the day are discussed, and a smattering of poetry is also included, as well as reader commentary. It is an open-minded and multi-faceted book unlike any other you have read or will read.

What do you do when your two-year-old

Online Library Just A Range Ball In Box Of Leists

shakes you out of a sound sleep on your living room couch and demands that you teach him to play golf? In the first half of this book, the author leads readers through an eight year odyssey in which he used golf to teach his youngster the most important lessons of his youth. The boy discovers that being a good person outranks birdies and pars in importance. Their adventures are cut short by tragedy; the son falters, then notches an incredible victory. In part two, the author relates some of the important experiences of his life, focusing initially on an insignificant corner of the rural south. During the cold war he met a world famous musician from the Soviet Union and they shared an unbelievable adventure, which only culminated 25 years later. The author also spins the tale of Rusty, an extremely clever Alaska brown bear, who developed a brilliant fishing technique in eat salmon

Online Library Just A Range Ball In Box Of Leists

sushi - 40,000 Alaska brown bears cant be wrong.

There is nothing better than a road trip—well, maybe if you are staying overnight for more than a night. Although it was our first real trip away from home for any length of time, it was going to be a road trip that would be remembered for the rest of our lives. We were going to be away for only half a fortnight. How would we cope with being away from home for that length of time? There were not going to be any wives, girlfriends, or even mummies to look after us. Would we survive, or could we even survive? I'm sure our livers would not have lasted much more than the seven days of heavy drinking that we did. This trip was going to be the start of the rest of our lives. It was going to be the ultimate road trip ... It was going to be eight guys looking to play

Online Library Just A Range Ball In Box Of Leists

a little golf, eight guys looking for a little love, and eight guys trying to figure out who was going to be able to drink the most. The thing is, I thought I had it all wrapped up before we had even left Canada. The eight of us who came to party were as follows: Theodore the farmer, who was supposed to be our designated driver for the week, but he became our designated drunk. We had Pudden, who was the only sensible one in the bunch. His brother-in-law Kevin also came. I think he came; well, they told me he came. My best friend, Stewart came; but all he wanted to do was fight me for all the girlies that we encountered. Johnny, my twin brother, who could do no wrong, also came. Of course, we had gullible Paulie, who acted like an eight-year-old all the time. Then, there was Buddy, who was easily tricked into doing just about anything that we wanted him to do. And

Online Library Just A Range Ball In Box Of Leists

then there was me; I'm pretty sure that all I did the whole trip was drink and listen to some loud rock and roll music. As you come across each little incident, you will likely figure out that it was not all about me. It's just that I had to write it that way to protect all the guilty participants.
