## The plague: (edition) | Open Library

The country is gripped by La Peste -- a second pandemic of bubonic plague that swept through Europe at the time, which would eventually kill over half a million people in southern Spain alone. We're introduced to a suitably grim vision of Seville in this era, where hastily constructed wooden shacks house the dead and dying in sprawling slums.

## REVIEW: The Plague (S1 E1&2/6) | The Killing Times

"La Peste" (The Plague), the film adaptation of the 1947 novel by French existentialist Albert Camus, received poor reviews and was a box office bomb and rightfully so-- except for the presence of French actress (speaking in English) Sandrine Bonnaire, as TV journalist Martine Rambert (in the novel, the character is a male newspaper journalist) Her conversation with Wm.Hurt (as Dr. Riseux), in the doctor's office, must go down as one of the most superb scenes in film history: "Do you have ...

The Plague The central irony in The Plague lies in Camus' treatment of "freedom." The citizens of Oran become prisoners of the plague when their city falls under total quarantine, but it is questionable whether they were really "free" before the plague. Their lives were strictly regimented by an unconscious enslavement to their habits.
