"The Mental Arithmetic Teacher's Guide contains: an Overview of the series, describing how the books may best be used, a simple chart showing which books are appropriate for each year group, photocopiable Assessment Resources, including tests and diagnostic support, photocopiable General Resources, including glossaries and Maths Facts copymasters."--Back cover.

This photocopiable resource for Key Stage 2 is divided into two main parts. The first covers the important areas of mental maths, such as the four rules, fractions, decimals, money and time, and the second part presents associated topics to enable pupils to employ mental skills in contexts such as shape and measures. The work is at two levels of difficulty: National Curriculum Level 3, and Levels 4-5.
