Katherine Webb is a superb story-teller, particularly strong on character. No-one can surpass Ms Webb in the creation of such vivid and plausible fictional characters. I don't think 'The Misbegotten' is quite as good as Ms Webb's 'The Unseen' which I also reviewed and gave five stars. The plot isn't quite so engaging and original.

In a series of flashbacks, Katherine Webb's enticing Gothic tale weaves between the 'present' Bath of 1821 and the events of 16 years earlier, with some stark depictions of the horrors of war. A compelling and convincing novel (DAILY MAIL on The Misbegotten) An atmospheric page-turner (WOMAN & HOME on The Unseen)
