Probably one of the most explicit books
ever written. Gets a bit boring after a while
though and it is pretty evident that the
writer had little real knowledge of the
female orgasm. The sexual athletics
described would have killed most ...

varied and prolific Victorian-era sexual experiences of his youth. Still considered scandalous by modern standards, the novel discusses subjects considered to be completely taboo at the time of its publication in the 1870s, including incest, masturbation, and homosexuality. Like many similar works of erotic fiction, *The Romance of Lust* was banned for a period of time.
