There have been many great and enduring works of literature by Caribbean authors over the last century. The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories, overflowing with life and acute observations about society. 'Tiger thought, To my wife, I man when I sleep with she. To bap (father), I man if I drink rum. But to me, I no man yet.' Trinidad is in the turbulent throes of the Second World War, but the war feels quite far away to Tiger - young and inexperienced, he sets out to prove his manhood and independence. With his child-bride Urmilla, shy, bewildered and anxious, with two hundred dollars in cash and a milking cow, he sets out into the wilderness of adulthood. There is no map or directions for him to follow, he must learn for himself and find his own way. Suitable for readers aged 15 and above.

"I see trouble. Plenty trouble." The village obeahman Manko foresees trouble when an Englishman Garry Johnson comes to stay in the cacao estate of his friend Roger Franklin in Trinidad. Before long his prophecy is fulfilled when the visitor falls in love with the lovey Indian Sarojini. What had been a carefree atmosphere quickly evaporates, replaced with a tension-filled air full of jealousies, rivalries and intrigues as three races interact in post-independence Trinidad.

Both devastating and funny, *The Lonely Londoners* is an unforgettable account of immigrant experience - and one of the great twentieth-century London novels. This Penguin Modern Classics edition includes an introduction by Susheila Nasta. At Waterloo Station, hopeful new arrivals from the West Indies step off the boat train, ready to start afresh in 1950s London. There, homesick Moses Aloetta, who has already lived in the city for years, meets Henry 'Sir Galahad' Oliver and shows him the ropes. In this strange, cold and foggy city where the natives can be less than friendly at the sight of a black face, has Galahad met his Waterloo? But the irrepressible newcomer cannot be cast down. He and all the other lonely new Londoners - from shiftless Cap to Tolroy, whose family has descended on him from Jamaica - must try to create a new life for themselves. As pessimistic 'old veteran' Moses watches their attempts, they gradually learn to survive and come to love the heady excitements of London. Sam Selvon (b. 1923) was born in San Fernando, Trinidad. In 1950 Selvon left Trinidad for the UK where after hard times of survival he established himself as a writer with *A Brighter Sun* (1952), *An Island is a World* (1955), *The Lonely Londoners* (1956), *Ways of Sunlight* (1957), *Turn Again Tiger* (1958), *I Hear Thunder* (1963), *The Housing Lark* (1965), *The Plains of Caroni* (1970), *Moses Ascending* (1975) and *Moses Migrating* (1983). If you enjoyed *The Lonely Londoners*, you might like Jean Rhys's *Voyage in the Dark* or Shiva Naipaul's *Fireflies*, also available in Penguin Modern Classics. 'His *Lonely Londoners* has acquired a classics status since it appeared in 1956 as the definitive novel about London's West Indians' *Financial Times* 'The unforgettable picaresque ... a vernacular comedy of pathos' *Guardian*

There have been many great and enduring works of literature by Caribbean authors over the last century. The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories, overflowing with life and acute observations about society. Fifteen-year-old Shell tells his story directly and we see things through his eyes - his confused feelings first for Rosalie, and then for Joan, his distress about the illness and death of his father, and his admiration tempered by fear of Mr Gidharee, Rosalie's father. This iconic, universal 'coming of age' novel conveys the confusion of a teenager growing to maturity, and the difficult choices that have to be made. Shell is gradually led out of childhood and into a deeper understanding of the human condition. Suitable for readers aged 14 and above.

Contains the dramatic text for seven one-act plays that follow Moses Aloetta, as he tries to save enough money to leave England and return to his native Trinidad, and his friends, who are determined to prevent Moses from accomplishing his goal.
